

ACCIDENT TRAP

Hello, Rinky, where are you? Why so much delay in returning from the tuition?

Hello Aunty. I am Ravi. I am speaking from mobile of this girl who met with accident and is unable to call. She fell from her scooter after a car hit her and ran away.

Oh no! She is my daughter Rinky. Where is she now? Can you quickly take her to the nearest hospital? Don't worry about money. Please help.

Yes aunty, I am doing that. I have already called a private ambulance and rushing to the hospital. Will inform you soon.

Okay beta. May God bless you. Just tell me which hospital you are going, so that we also reach there immediately.

Aunty, there is a problem. This ambulance guy wants advance payment of 2000/- and he says that emergency hospitalization charge in the nearby hospital is 20000/-

Don't worry about money. I will pay whatever is needed, but please don't delay it.

Yes Aunty. But I don't have so much money right now. Can you quickly transfer some money on my PayTm or bank account as I move to hospital?

Yes, sure.

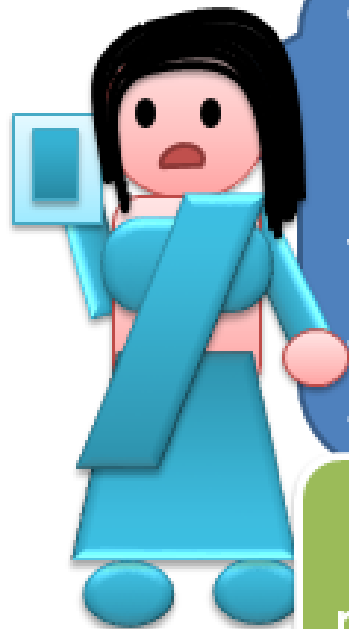

Calls Ravi after getting ready

Oh god! Why is the phone switched off?! What is happening?

Gets call from unknown number

Hello mummy, This is Rinky. I am getting slightly delayed. In fact, I lost my mobile and right now speaking from a friend's phone to inform you about the delay.

Oh God! Someone rang up from your mobile informing that you met with accident. We were so worried. Beta, you are alright na?

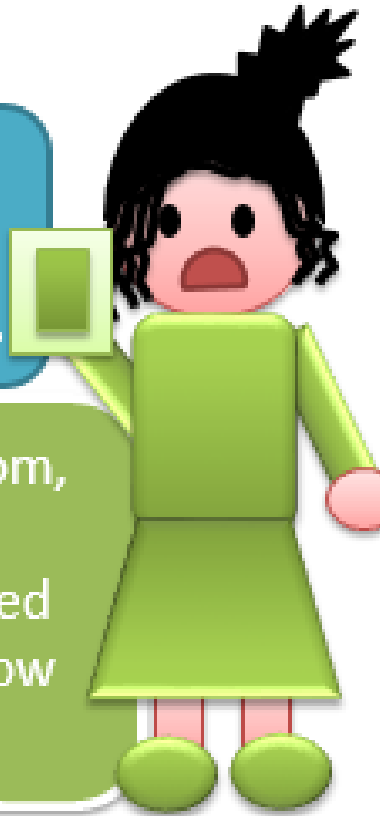

Oh No! Did he ask for money for hospitalization?

Yes, and I transferred 21800/- as admission and ambulance charges.

Oh Mom! He fooled you. Mom, if he was speaking from my mobile, you should have asked him to do video chat and show the injured person?

Mom, these fraudsters take advantage of panicked mind. You should never lose cool. Think, a small presence of mind could have saved you from anxiety and loss of money.

Thank
You
